OTCC ENTRANCE

View from Portakal Çiçeği Bulvarı (main road)

Turn the corner for the entrance

This is the entrance for OTCC. Come in the gate and head to the doors.

Buzz for entrance from the OTCC staff. We are on the second floor. There are elevators if needed.

GETTING TO THE OFFICE

TAXIS

Taxis are also readily available and safe to use. They are metered and you can see the price on the rear view mirror when you arrive. You would need to pay in TL (so have some exchanged ahead of time.) Taxis can be called at any time from boxes on light poles like this one. They are very easily accessible. **Just hand the driver the address for OTCC and they can get you there!**

You can tell them Portakal Çiçeği (the main road right beside the office) or right across the street from the Olympic Pool.

BUS / TRAM PASS

You can bring the bus very close to the office. To buy a bus pass (that can also be used for the Trolley/Tram) you can find an AntalyaKart place to purchase a card. You can use a debit card or TL to purchase.

- The card itself is an initial minimal cost
- Each Bus & Trolley ride cost 15 TL (as of Fall '23)
- We suggest putting at least 75 TL on the card for your stay (you can easily add more at any time if you use the bus more often.)

GETTING TO THE OFFICE

TAKING THE BUS TO THE OFFICE

Look at the bus schedule and find the stop on **Portakal Çiçeği**. Several buses will come that direction. Make sure you look for the right bus number located on the front upper right of the bus.

BUS STOP

You have to press a red button near the doors on the bus or they will not stop at every location. When you see the ASD Auto building, hit the button and the next stop is right beside the OTCC building.

That's our building. Turn the corner at the road and the entrance will be at the first gate.

TROLLEY / TRAM

The tram runs promptly every half hour from near the office. It will go from this location all the way to the pebble beach (past the marina). It also stops just before the Old City and is an easy transportation from one of the guest houses.

Address for Tram:
Gençlik Mahallesi, Tevfik
Işık Cd. No:1, 07100
Muratpaşa / Antalya

It is a short walk from the tram station to the office. You will need to cross a busy intersection (circled below). Also note that the station is a bit back off the road, so just follow the tracks from the corner.
